Hi:

It's hard to imagine what Shabbat would be like in our community without an Eruv. Whether it is pushing a stroller to shul or to a friend's home, carrying a Tallit bag or house key or sefer, the Eruv significantly impacts every one of us every weekend of the year.

Our Community Eruv requires an exacting, detailed, weekly inspection followed by timely repairs. Our employees spend 5-6 hours/week analyzing every attachment, twine, and fence that comprises the 26+ mile boundary. Over 1,000 details are inspected each week, all while navigating traffic and whatever weather our New England climate presents to us.

Your annual donation of \$150.00 (< \$3/week) for our 2022 fiscal year will ensure that we can pay salaries and taxes, vehicle rental and gas, maintenance costs, insurance, internet, phone, and fundraising expenses.

Please send in your fair share now. You can donate by check, PayPal, or a selection of Donor Advised Funds (see [www.bostoneruv.org](http://www.bostoneruv.org)).

**Please provide your email address (send to [info@bostoneruv.org](mailto:info@bostoneruv.org)) so that we can migrate you to electronic delivery of these letters and save on the annual postage and mailing expenses.**

If you are not paying online, please send your tax-deductible donation to:  
Greater Boston Eruv Corporation, 653 Chestnut Hill Ave, Brookline, MA 02445

Thanks,

*Jesse*
